

CALIFORNIA ACHIEVEMENT TESTS® (CAT/5®)

Suggested Testing Schedule, Complete Battery

PLEASE DO NOT WRITE IN THE EXAMINER'S MANUALS OR STUDENT TEST BOOKS!
(Exception: Only Grades 1-3 allow students to fill in the circle right in the book. All other Grades use a separate answer sheet.) *Use this paper as a record of your start and stop times or to make other notations.* Make sure the students do not write or make extraneous marks in the testing books. An additional cost of \$10 per student book and \$20 per teacher's book will be charged before test scores are released to you if the books are written in or damaged in any way. Parents/teachers are responsible for their students' actions in this regard.

Please remember, you are leasing, not purchasing, the tests and actual booklets, etc. You are purchasing an achievement testing *service* and the score reports obtained from that service. All testing materials remain the property of Piedmont Education Services, an authorized reseller/distributor of the CAT/5® copyrighted materials and facilitator of the testing service. Thank you for your help in this matter.
